- Experienced teachers, new to Delta County School District 50J, will be given credit for each year up to four years, and one-half credit for each year beyond four years, not to exceed a total of ten years, of acceptable full-time teaching experience. (A teacher with four years experience would be placed on the fifth step, Step 8).
- Years of experience shall be granted for complete years of experience only.
- Salary requirements for part-time teachers shall be determined by the percentage of full-time assignment which they teach. Part-time teachers will not be eligible for non-probationary status. (Part-time teachers are those teaching less than half-time.)
- The semester hours necessary to qualify for the BA+ or MA+ schedule must: (1) have been earned subsequent to the completion of the highest degree and after qualifying for a teacher's certification/license, and (2) be graduate hours unless undergraduate hours are approved in writing by the administration before being taken. All transcripts being used for movement on the salary schedule must be submitted to the District Office no later than September 10th of each year.
- Teachers who are established on the salary schedule may not move more than one step vertically or horizontally unless they have acquired an MA degree (under such conditions they may be placed on step in the MA category), or have entered the salary schedule below their actual placement, or have been at the last step in a column for more than one year (MA or beyond). An MA degree is required to advance further than the 5th column.
- Contract length of this schedule is 176 days for the 2008/2009 school year.
