*Caring, Challenging, Learning—
Every Student, Every Day!*

Vision

Delta County School District will be a district of excellence provided through rigor, relevance, relationships, responsibility, and results. Delta County School District will be responsible to all stakeholders ensuring all graduates of Delta County School District possess 21st century skills in a global society.

Mission:

The Delta County School district shall provide a safe and caring environment for all students and staff, meaningful opportunities and innovative educational programs *that challenge* all students so that they *continue learning*, including the attainment of content standards, through partnerships between home, school, and the community.
