Dear Applicant:

Thank you for your inquiry concerning employment with Delta County School District 50J. Below please find information regarding our application procedure.

Our employment application for licensed employees is an online application, which can be accessed at www.deltaschools.com. In the "Employment" box, please click on "Certified Positions" and then in the next screen click on "Certified Employee Application."

All required fields must be completed. In order to have a complete application, the following documents must be attached to your online application.

1. Three letters of recommendation.
2. A copy of all transcripts. (Official transcripts will be required upon offer of employment.)
3. A copy of your current teaching license.

Include any other information you consider pertinent, such as a resume or letter of interest. An incomplete application will not be considered active and will not be available for viewing by our administrators.

When a vacancy occurs, administrators review the active applications for that position. Following this review, a pool of qualified applicants will be selected for an interview with the appropriate administrative team. At this point, your references will be checked. Following this reference check, an onsite performance interview may be arranged.

If you are in the area, even though a formal interview has not been arranged, please feel welcome to come by the school district office to get acquainted.

We look forward to receiving your completed online application. Again, thank you for your interest in Delta County Schools.

Sincerely,

Todd Markley
Asst. Superintendent/Human Resources
