Fact-Finding Task Force Application

A grass-roots group of parents has asked the School Board to consider consolidating the two high schools in the North Fork into one high school. North Fork staff, students and some Delta County parents and community members had an opportunity to complete a brief survey. The survey results shared a sampling of how people feel about the idea of one high school in the North Fork. The survey results came back very close to a 50/50 split. Since the data is a small sample and it does not define a true direction, the School Board is putting together a Fact-Finding Task Force with a purpose of exploring the educational and economic opportunities in the North Fork in order to identify a contingency plan with indicators and thresholds for future decisions regarding configurations of schools.

The Fact-Finding Task Force will be taking applications through Monday, November 18th. The task force will meet once a month starting in December and going through March. The task force will have an opportunity to learn about the school facilities, transportation & safety, student enrollment, personnel, educational programs and about the communities/culture. The task force will review the information they learn with the School Board in March/April, 2020. All meetings will be open to the public. The first meeting will be on Monday, December 2nd, at the School District Office starting at 6:00 p.m. Applications are due back to the School District Office, 145 W. 4th Street, Delta, CO 81416, by **Monday, November 18th**.

We want to ensure that committee members are open to all options for school configurations or leaving schools the way they currently are in the North Fork. If you are interested in being a part of the Fact-Finding Task Force, please complete the below application. We thank you for your interest in being a part of the task force.

Thank you!

Caryn Gibson
Superintendent

Name _____ Date _____

Address _____, City _____ Zip Code _____

Please complete the following questions. (You may add additional pages if needed)
