

**Nonviolent Crisis Intervention
2017-2018 Training Dates
Delta County School District**

The *Nonviolent Crisis Intervention* program is a safe, nonharmful behavior management system designed to support staff in the management of behavior, even during the most disruptive or violent moments. Participants will receive safe, effective behavior management training designed to maintain the Care, Welfare, Safety and Security of all involved in the intervention process. District trainers certified by the Crisis Prevention Institute (CPI).
