

## Unexpired Term Fulfillment/Vacancies

If a member of the Board of Education shall become, during his term of office, a non-resident of the director district from which he is elected, he shall be deemed thereby to have vacated his office.

When a vacancy occurs on a board of education, the board is required by law to appoint a person to fill the vacancy within 60 days. Should the board not act, the president of the board makes the appointment.

Whether the appointee serves for the remainder of the unexpired term or until the next, or the next succeeding, election depends on the number of days until the next regular biennial election and the number of years left in the unexpired term.

1. If the vacancy occurs more than 60 days before the election and the unexpired term is for more than two years, the term of appointment is until the next election, when a successor for the remainder of the term is elected.
2. If the vacancy occurs within 60 days of the election and the unexpired term is for more than two years, the term of appointment is until the next *succeeding* election, when a successor is elected for the remainder of the term.
3. Otherwise, the term of appointment is for the remainder of the unexpired term.
