

## **Policy Adoption**

(Waiver Requests)

School-level accountability committees may request a waiver of Board policy to facilitate attainment of a school-level goal by submitting a written application to the Board of Education. A majority of committee members and the building principal must support the request for waiver or renewal of an existing wavier.

Waivers will be good for one to three years and may be renewed for additional one year periods after Board review.

The waiver or waiver renewal request must include:

1. Coding and title of the policy to be waived.
2. Specific documentation demonstrating how the policy prohibits the school from achieving a school goal.
3. Expected outcome of the waiver / waiver renewal.
4. Duration requested for the waiver / waiver renewal.
5. Explanation of how the waiver / waiver renewal would assist the school in reaching its goal.
6. Financial impact of the waiver / waiver renewal.

The written request for a waiver / waiver renewal must be received by the Board at least 45 days prior to proposed implementation.

The waiver / waiver renewal will be granted if the Board determines that the school has clearly demonstrated that the waiver or waiver renewal will result in the school's accomplishing its goal.

The Board will provide a written response to the waiver / waiver renewal request within 45 days of receipt of the request.
