

Support Staff Positions

The Board shall approve all support staff positions in the school system.

Support staff employees, unless otherwise designated by contract, shall be considered “at will” employees who serve at the pleasure of the Board and shall have only those employment rights expressly established by Board policy. Support staff members shall be employed for such time as the district is in need of or desirous of the services of such employees.

In each case, the Board shall approve a statement of job requirements as presented by the superintendent. This shall be in the form of a job description setting forth the qualifications for the job, a detailed list of performance responsibilities and any required physical capabilities.
