

## **Negotiations Priority Objectives**

### Professional Priority Objectives

The Board of Education of School District 50J will consider the feasibility of a professional negotiations contract when a majority of the teachers indicate by a ballot that they desire such action.

### Certified Council

The Certified Coordinating Council of Teachers is a body of teachers, recognized by the Administration and the Board of Education, as representing all the teachers of the district. As teacher representatives, it is expected that the Certified Council will confer and communicate with the Superintendent and the Board of Education.
