**COMMUNITY INVITED TO PARTICIPATE IN SUPERINTENDENT
SEARCH FOCUS GROUPS**

Members of the community, along with school district, are invited to participate in focus group meetings to help Delta County School District 50J develop a leadership profile for a new superintendent of schools. A consultant from Colorado Association of School Boards (CASB), which has been retained to conduct the search process, will facilitate the focus groups.

Participants in the one-hour meetings will discuss the leadership qualities and skills necessary for the new superintendent to be successful. Information gathered from the focus groups will be used to advertise the position and will be the basis of interview questions for candidates.

All are welcome to participate, but reservations are required. Please contact the District Office, 874.4438, if you plan to attend. See the attached schedule for meeting dates, times, and locations.

The Board of Education is expected to name the new superintendent April 23, 2012.
